

Position: Bricklaying Apprentice

Our Company:

Haime Builders is a construction company based in Southampton, UK. Being a principle contractor, we carry out all projects from start to finish whilst minimising the need for subcontractors, we achieve this by keeping most major trades in house. Haime Builders takes on a diverse range of projects, from domestic extensions all the way to medieval refurbishments.

Visit our website to learn more: <https://www.haimebuilders.com/>

The Role:

We are seeking a bricklayer apprentice who is willing to learn the relevant skills to reach a professional standard. This role also offers the opportunity to get involved in other areas of construction, as Haime Builders operates as a single team, with everyone contributing to whatever task is at hand, regardless of trade.

Responsibilities:

- General bricklaying duties, including laying bricks, repointing, and repairing broken masonry
- Assisting with additional tasks as needed, such as demolition and general labouring
- A willingness to learn and develop new skills across various areas of construction
- Prepared to take on additional responsibilities as experience and skills progress

Key Information:

- £7.55/Hr
- Required to provide own travel arrangements to site

If you meet the criteria for this position and would be interested in joining the team, please contact the below with your CV.
