

Position: General Labourer

Our Company:

Haime Builders is a construction company based in Southampton, UK. Being a principle contractor, we carry out all projects from start to finish whilst minimising the need for subcontractors, we achieve this by keeping most major trades in house. Haime Builders takes on a diverse range of projects, from domestic extensions all the way to medieval refurbishments.

The Role:

We are seeking a general labourer who is willing to help a variety of tradesmen on site, whilst getting involved with other tasks when needed. Previous experience in site labouring required.

Responsibilities:

- Moving materials around site and preparing the tradesmen work area
- Assisting tradesmen with their duties
- General cleaning to maintain the site at a high standard for clients
- Demolition and removal works
- Willingness to learn new skills
- Any other duties necessary to fulfil the general labourer role

Key Information:

- £18.50/Hr
- Required to provide own travel arrangements to site

If you meet the criteria above and would be interested in joining the team, please contact the below with your CV.
